About This Week's Program

Established in 1978, Virginia-Maryland College of Veterinary Medicine is a leading biomedical teaching and research center and the in-state veterinary college for residents of Virginia and Maryland. The college's locations include the main campus in Blacksburg, Virginia; the Animal Cancer Care and Research Center in Roanoke, Virginia; the Marion duPont Scott Equine Medical Center in Leesburg, Virginia; and the Gudelsky Veterinary Center in College Park, Maryland.

The college is focused on the development and delivery of a One Health education, integrating multidisciplinary research and educational opportunities that provide health care solutions for animals, people, and communities.

Unique among U.S. veterinary colleges, VA-MD Vet Med is operated by two land-grant universities: Virginia Tech and the University of Maryland.

Rotary News

November is Rotary Foundation Month

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary International, we tap into a global network of Rotarians who invest their time, money, and expertise into our priorities, such as eradicating polio and promoting peace. Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.

Strong financial oversight, a stellar charity rating by Charity Navigator, and a unique funding model mean that we make the very most of your contribution. Become a Sustainer by donating \$100 to the Foundation. If that is not possible, help our club become an Every Rotarian Every Year (EREY) club by donating at least \$25.00. With your help, we can continue to be part of Rotary's life-changing work!

District 7570 Points Match

*District 7570 Foundation Recognition Points Match
November 14 through December 2, 2022*

Celebrate "Doing Good in the World" with a District 7570 Rotary Foundation Recognition Points Match! Annual Fund-SHARE donations support grants and activities chosen by clubs in District 7570. Let's inspire one another to generously give to The Rotary Foundation's Annual Fund-SHARE.

By participating in this Points Matching Opportunity, District 7570 will help you or someone of your choice come closer to becoming a first time Paul Harris Fellow (PHF) or reaching the next Multiple PHF level. Each PHF level requires a cumulative monetary donation of \$1,000 or a combination of a monetary donation and Rotary Foundation Recognition Points.

By donating \$125 to \$1,000 to Annual Fund-SHARE November 14 through December 2, District 7570 will transfer bonus Points to you matching the exact amount of your donation! District 7570 will credit you with the matching Points, unless you specify otherwise. If you are already at the PHF+8 level, please designate another person to receive your bonus Points. (The next level after PHF+8 is Major Donor, Level 1, and only cumulative cash donations help you become a Major Donor.)

When making your online donation, please log in to your My Rotary account. If you do not log in first, a new Rotary ID number may be created for you that is neither associated with District 7570 or your Club.

Note: After making your online donation to The Rotary Foundation for Annual Fund-SHARE, you will receive two emails: on the day you make your donation, you will receive a "Confirmation of your gift to The Rotary Foundation," and one to two weeks later you will receive the thank you/tax receipt email from giftacknowledgement@rotary.org.
